Edvar Design
Designer

After completing their education at ITU, Emrah and Emel Son dived into the world of design and founded Edvar Design. They took part in many organizations and exhibitions with their designs. They made designs for domestic and foreign manufacturers in the furniture, kitchenware and consumer electronics sectors. Edvar Design aims to produce innovative works with a timeless line that attaches equal importance to aesthetics and function in their designs. They continue to produce works that aim to improve themselves and to contribute to the universal world design from Turkey.
